Since 1981

PLANT AT FALNA

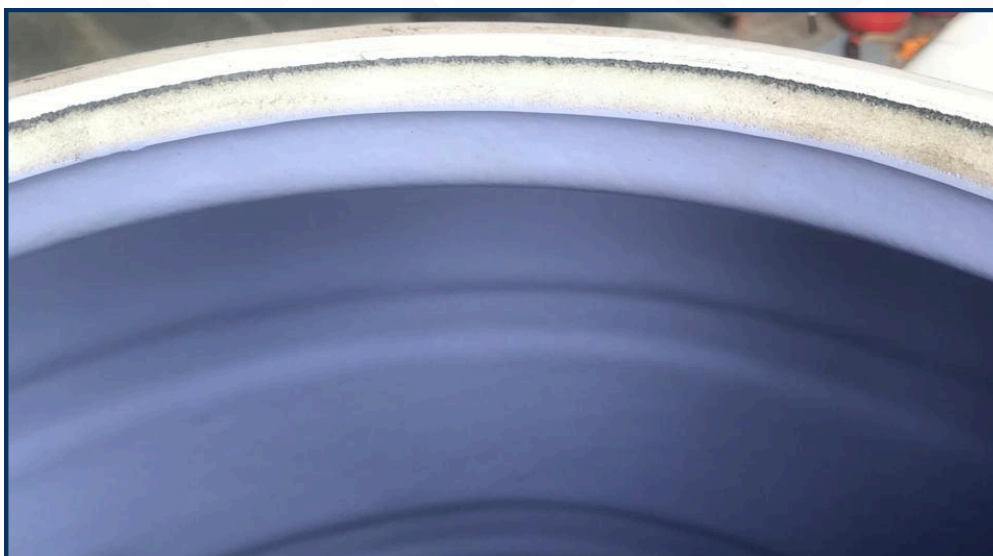

ROTO KING SPECIALITY POWDERS FOR FOAM

WE HAVE DEVELOPED TWO GRADES OF FOAM POWDER FOR WATER TANKS:

GRADE	TYPE	LOADING	APPLICATION
RK - 01	READY TO USE	75 - 100 %	TANKS & PALLETES
RK - 02	CONCENTRATED	40 - 50 %	TANKS & PALLETES

Our Speciality:

Our Roto Moulding Foam Powder is specifically designed for easy moulding of water tanks with zero rejections. The foam has excellent insulation properties, stiffness & uniform cell structures with strong bonding between layers.

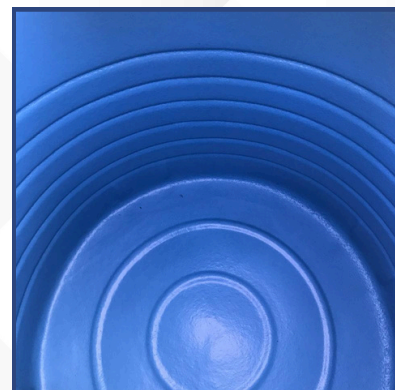

ROTO KING SPECIALITY POWDERS FOR WATER TANKS

MATERIAL	DENSITY	MFI	ADDITIVES	COLOURS	APPLICATION
VIRGIN LLDPE UV	0.936	4.50	UV - 4, ANTI OXIDANTS	MILKY WHITE, BRIGHT WHITE, JET BLACK	OUTER LAYER OF TANK
VIRGIN LLDPE	0.936	4.00 TO 5.00	ANTI OXIDANTS	LIGHT BT, MILKY, BRIGHT WHITE	INNRR LAYER OF TANK

Our Speciality:

Our Virgin Rotational Moulding Powder is fine-meshed for faster moulding & thereby saving energy consumption. Tanks moulded from our powder are smooth, shiny & pin-hole free. Our powders are formulated with anti-oxidant & UV satbilised offering thermal resistance & provide more strength & durability to the moulded product.

ROTO KING SPECIALITY POWDER FOR STONE/MARBLE/GRANITE EFFECT

MATERIAL	DENSITY	MFI	ADDITIVES	APPLICATION
VIRGIN LLDPE UV	0.936	4.00 TO 4.50	UV & ANTI OXIDANTS	INDOOR/ OUTDOOR PLANTERS

Our Speciality:

Our UV Stabilized stone effect Rotational Moulding Powders are ideal for planters, pots & other outdoor applications. Our powders deliver a natural stone-like appearance making them perfect for both functional & aesthetic applications.

ROTO KING SPECIALITY COLOURED POWDERS:

MATERIAL	DENSITY	MFI	APPLICATION
VIRGIN LLDPE	0.936	4.50	UV - 15 STABILISED FOR PLAYGROUND EQUIPMENTS

Our Speciality:

Our Rotational Moulding Powders are UV 15 stabilized. We use high- performance masterbatches for excellent lightfastness, long colour life, & brightness. We also cater customised shades.

THE LEGACY OF RK GROUP

1st Generation

LATE SHRI KANTILAL R. JAIN

Our great visionary Late Shri Kantilal R. Jain established our flagship company RK Engineering Works to manufacture umbrella parts in the year 1963 at Falna, Rajasthan.

Est. 1963

2nd Generation

KIRTI JAIN

KIRTI INDUSTRIES was set up in 1981 in Falna, Rajasthan to import and process Plastic Polymers.

3rd Generation

CA YASH JAIN

KIRTI INDUSTRIES further expanded to Daman (UT) in 2021 to manufacture ready to use VIRGIN roto moulding powder & compounds under “ROTO KING” Brand.

KIRTI INDUSTRIES

Unit 1: Survey No.338/ 3B & 336/ 2-1 6 Kachigam,
DAMAN UT- 396 210

Unit 2 : 15 C, Industrial Estate,
FALNA 306 116, Rajasthan
